Meet for the afternoon tour at the Pig and Tail, allowing enough time for Lunch/coffee before tour at 1.15pm, see details below. The guide will be at the factory waiting for us. - Lunch etc:** The 'Pig and Tail' on Dayus Square at 12-13 Albion St. usually serves a Tapas menu. They are happy to cater for us on a shortened menu. Morning and Afternoon groups could meet together for Lunch, or for a hot drink etc. Please indicate in boxes below.
- Transport:** Albion Street is on the right off Frederick Street, downhill from the Chamberlain Clock, towards the Pen Museum. There is 'Pay and display' parking outside the factory and in some neighbouring streets where there are no 'permit only' restrictions. There is a NCP car park 5 mins. walk away on Newhall Street.
